

Aortic Dissection Awareness Week

**The John Ritter
Foundation
for Aortic Health™**

To Whom It May Concern:

Weeks after my husband died unexpectedly from an acute thoracic aortic dissection, I created The John Ritter Foundation to honor his memory. My purpose was to spare others from unnecessary suffering caused by the lack of awareness of this tragic and preventable disease.

September 19th – 25th is Aortic Dissection Awareness Week. **I need your help.**

To raise funds in support of the John Ritter Foundation for Aortic Health, we are having an online auction September 23rd -25th. Because of the uncertainty around COVID-19, we are asking for items that can be shipped to the winner or fulfilled online (e.g. Zoom happy meet and greet with a celebrity, online wine tastings, signed memorabilia, gift cards, etc.)

We are looking for items ranging from \$50-priceless. Please fill out the form attached and return to the email address listed below. Thank you for considering a donation to our John Ritter Foundation online auction!

From the heart,

Yasbeck Ritter
